

Weekly Media Monitor

May 27th - June 2nd, 2024

This week's major news updates in Pakistan's energy sector:

- Musadik Malik, federal minister for Petroleum, states that Pakistan's circular debt has soared to 5,300 billion rupees.
- Saudi Arab's state oil company, Aramco, acquires 40 percent shares in Gas & Oil Pakistan Limited (GO) as part of its global retail expansion plan.
- ⇒ The Organization for Economic Co-operation and Development (OECD) announces that developed nations have given 100 billion US dollars in finance to developing countries under the Paris Agreement's climate commitments.
- The National Electric Power Regulatory Authority (Nepra) approves quarterly tariff adjustments of rupees 46.6 billion, allowing the distribution companies (Discos) to raise tariffs by 1.90 rupees.
- Suwait agrees to provide Pakistan with a 25 million US dollar loan for the constrcution of Mohmand and Diamer Bhasha Dams.
- The National Electric Power Regulatory Authority (Nepra) states that the government's underutilization of Thar's coal reserves is imposing a financial burden of 32 billion rupees on electricity consumers.
